

A Tata Steel Enterprise

EU DECLARATION OF CONFORMITY

Regulation (EU) 2025/40 (PPWR) No. DOC-2026-001EN

1. Product identification

Packaging for sandwich panels for construction.

2. Manufacturer

SAB-profiel bv
Produktieweg 2-3A
3401 MG IJsselstein, Netherlands

3. Responsibility

This declaration of conformity is issued under the sole responsibility of SAB-profiel bv.

4. Subject of the declaration

Transport packaging for sandwich panels consisting of:

- EPS or wooden pallets
- EPS spacers
- Plastic protective sheets
- Wrapping film
- Product labels and other paper markings

This packaging is used for protecting, storing, handling and transporting of sandwich panels.

5. Compliance

The object of this declaration described above is in conformity with:
Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR).

6. Applied standards and technical specifications

The conformity assessment was carried out based on the following documents:

- Information provided by suppliers in accordance with Article 16 of the PPWR
- Material declarations
- REACH/SVHC declarations
- Heavy metals declarations, where applicable
- PFAS declarations, where applicable
- Technical documentation on the composition of the packaging

7. Additional information

The technical documentation demonstrating conformity is retained by the manufacturer in accordance with the requirements of Regulation (EU) 2025/40.

Signed for and on behalf of

SAB-profiel bv, IJsselstein, Netherlands
René Timmerman, Manager Product Services

A handwritten signature in blue ink, appearing to read 'René Timmerman', is written over a light blue horizontal line.
