## ENDLESS POSSIBILITIES

Choose the striking appearance of SAB Digital Prints, so realistic, it's almost indistinguishable from the real thing. SAB Digital Prints offers a surprisingly versatile range of natural wood looks and distinctive corten steel designs, perfectly matched with colours from our collection. Ideal for sustainable projects with a high-quality finish that lasts for years.

### Want to know more?

Colours and thicknesses outside our standard range are available on request, subject to longer delivery times and a surcharge. The colour display is indicative. Unsure about colour or gloss? Request a colour sample in 15 x 7.5 cm or even A4 format.

## KEY ADVANTAGES:

- **Unique design:** Choose from four wood tones and a corten steel look, barely distinguishable from the real material.
- **Natural appearance:** The 4-metre-long print ensures a beautiful and natural result.
- **Durable coating:** 30–35 µm thick matte coating, scratch and wear resistant.
- **Long lifespan:** Up to 15 years SAB performance guarantee, fully covered.
- **Certified top quality:** RC3 and RUV3 certified (EN10169:2022), fire class A1.
- **Environmentally friendly:** Low CO<sub>2</sub> footprint and EPD-verified by an independent party.
